

MUSIC

STANDARD TWO

ACTIVITY 1

Curriculum Topic:

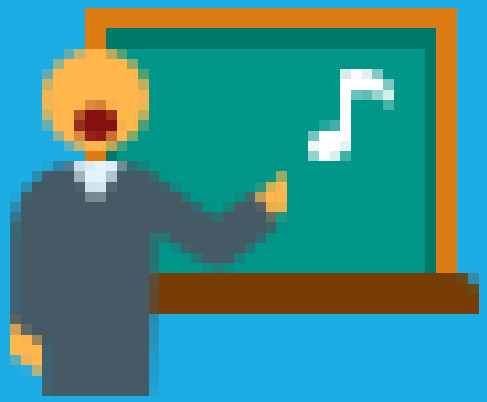

Singing

- Recognize the importance of tone and tempo as they relate to good singing.

Outcome:

- Sing both independently and in groups at the correct tempo (speed) and with a pleasing tone.

- Singing is a lovely activity.
- It helps to relax us and makes us happy.
- We must try to make pleasant sounds for the ears to hear when singing.
- We can do this by trying to sing accurate (or exact) pitches (notes).
- We must also have a pleasant and smooth tone (how our voice sounds).
- We should sing in time to the music and at the correct tempo (speed).
- Opening our mouths help to bring out good sounds.
- Smiling also helps with a pleasant tone.
- You can sing alone or with others.
- We may not be perfect singers but we can be happy singers and enjoy it.
