Welcome Back!

What did you learn from the Flipbook?

Now follow the steps on the next page to do the Practice Activity.

Practice Activity:

➢ Listen to this track National Anthem (entire piece) to hear the National Anthem in its entirety.

➢ Play the track again while looking at the lyrics below.

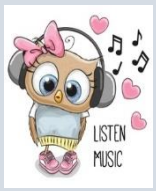

THE NATIONAL ANTHEM

Forged from the love of liberty,
In the fires of Hope and Prayer,
With boundless faith in our Destiny,
We solemnly declare,
Side by side we stand,
Islands of the blue Caribbean Sea,
This our Native Land,
We pledge our lives to Thee,
Here every creed and race find an equal place,
And may God bless our Nation,
Here every creed and race find an equal place,
And may God bless our Nation.

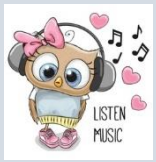

- Now play this track so that you can hear the melody clearly. Pay attention to the rhythm and melody, that is, how long you hold out a note (or syllable in words). Listen carefully particularly to the line "islands of the blue Caribbean Sea". This phrase is often sung incorrectly.

National Anthem - Intro and Melody

- Let us learn the melody now phrase by phrase. Play the track entitled ***National Anthem - by* phrases** and repeat what is heard. You will hear some of the parts repeated for practice. Play it over as often as you wish until your singing matches the sample on the recording. Remember to try and sing the pitches accurately with the correct rhythm.

National Anthem - by phrases

- Now that you have learnt all the parts, let us lustily sing the National Anthem of the Republic of Trinidad and Tobago! Play the track entitled ***National Anthem (entire piece)*** again to sing along with accompaniment.
- Remember to try to sing the correct melody – with accurate pitches and rhythm.

National Anthem (entire piece)

Now you can teach your family and friends to sing the National Anthem properly.
