COMPREHENSION-POSTER- PHONE FOUND!
STANDARD FOUR

7. What additional information would you include on the poster? Give a reason for your answer.

Answer Key

1. It was found in the computer room.
2. The purpose is to get the phone's owner. 'Please come collect it' supports the answer.
3. This poster could be located in a school/the computer room. Many schools have computer rooms/It was found in the computer room so the person may return there to check.
4. It is bold for emphasis. They don't want people trying to get someone else's phone.
5. Yes. The owner can identify the room where the phone was misplaced.
No. it does not add to the information. The location was already stated a picture serves no purpose.
6. Feature: colour/brand/screen saver etc.
7. The name of the person to call for the phone. The address of where to go to retrieve the phone.
