

Textiles Clothing & Fashion
(2027 & 2028)
SBA 3

Using the fabric designed for SBA 1, make a simple tote to be sold at the school’s cultural fair.

You are required to:

- Construct a tote bag using the following specifications:
 - Size: 14” L x 12” W x 3” D
 - Straps at least 20” long
 - Snap fastener, button & buttonhole OR Velcro to secure the opening

- Prepare final cost of the tote bag according to the costs of material, labour and mark-up.

ASSESSMENT CRITERIA	Maximum Marks	Teacher’s Marks
1.Planning and Preparation		
Accurately interprets the requirements and specifications of the task	2 marks	
Selects suitable fabric, notions, tools and equipment	1 mark	
Organizes the work area and prepares materials for construction	1 mark	
Sub - total	4 marks	
2.Process		
(i) Construct the tote bag		
Measures and marks the fabric accurately according to the required dimensions	1 mark	
Cuts fabric pieces accurately and economically	1 mark	
Uses sewing tools and equipment correctly and safely	1 mark	
Constructs the body of the tote bag using appropriate seams and stitching	2 marks	
Constructs and attaches two secure straps measuring at least 20 inches long	2 marks	
Attaches and operates the selected closure correctly: snap fastener, button and buttonhole, or Velcro	2 marks	
Presses the tote bag at appropriate stages during construction	1 mark	
(ii) Prepare the final cost		
Calculates the total cost of materials accurately	1 mark	
Calculates labour cost and mark-up, and determines the correct final cost	1 mark	
Sub - total	12 marks	
3.Evaluation and Presentation		
Tote bag conforms to the required size of 14 inches × 12 inches × 3 inches	1 mark	
Tote bag is functional, durable and securely constructed	1 mark	
Stitching, seams, straps, closure and overall finish are neat	1 mark	
Costing information is clearly presented, accurately labelled and complete	1 mark	
Sub – total	4 marks	
Total	20 marks

Suggested Costing Format

Costing Item	Calculation	Cost
Fabric	Quantity used × cost per unit	\$
Thread	Amount used or estimated cost	\$
Fastener/closure	Actual cost	\$
Other materials or decorations	Actual cost	\$
Total material cost	Sum of all material costs	\$
Labour cost	Time taken × labour rate	\$
Production cost	Material cost + labour cost	\$
Mark-up	Production cost × mark-up percentage	\$
Final cost of tote bag	Production cost + mark-up	\$
