Paper 02 – General Proficiency

3 hours

READ THE FOLLOWING INSTRUCTIONS CAREFULLY.

1. This paper consists of FIVE questions.
2. Answer ALL questions.
3. Write your answers in the spaces provided in this answer booklet.
4. DO NOT write in the margins.
5. Show ALL working clearly.
6. You may use a silent, non-programmable calculator to answer questions.
7. You are advised to take some time to read through the paper and plan your answers.
8. If you need to rewrite any answer and there is not enough space to do so on the original page, you must use the extra lined page(s) provided at the back of this booklet. **Remember to draw a line through your original answer.**
9. **If you use the extra page(s) you MUST write the question number clearly in the box provided at the top of the extra page(s) and, where relevant, include the question part beside the answer.**

DO NOT TURN THIS PAGE UNTIL YOU ARE TOLD TO DO SO.

Write your answers in the spaces provided in this booklet.

1. Simone Cooke is a producer of natural juices. On 31 January 2018, she provided the following information about her assets and liabilities:
- Inventory of frozen beverages on hand valued at \$50 000.
 - Simone Cooke owns an industrial blender valued at \$200 000.
 - A delivery van was bought at a total cost of \$140 000 on 3 January, using a six-year, 20 per cent per annum loan of \$60 000 from Optimum Beverage Financing Ltd.
 - T. Farmer, who promised to supply some apples for the apple nectar blend, was paid \$9 000 in advance.
 - Simone Cooke owns refrigerators valued at \$95 000.
 - Health Food Store was supplied with products, on credit, valued at \$10 000. The company promised to settle in March 2018.
 - Rent of \$20 000 is outstanding for the month of January.
 - Ultimate Muscle Builder Ltd owes Simone Cooke \$15 000 for products used to host an exercise symposium.
 - Simone Cooke holds \$18 000 in her bank account and \$8 000 in her cash register.

Additional Notes

- Interest charges on the loan from Optimum Beverage Financing Ltd have not yet been paid for the **month** of January 2018.
- Simone Cooke has decided to depreciate the delivery van, using the straight line method of depreciation. She expects to get eight years of service from the van, at the end of which she anticipates she can sell it for \$12 000. You are to account for the month of January depreciation.

Required

Using all the information provided above, prepare a classified Statement of Financial Position (Balance Sheet) for Simone Cooke, in vertical style, as at 31 January 2018. Use the order of permanence in classifying assets. **Show the working capital clearly.** Round off all workings to the nearest whole number.

2. P. Smith, a sole proprietor, presented the following list of selected account balances.

Balances as at 31 December 2017		
	\$	\$
Bank	1 750	Dr/Cr
Purchases	2 750	
Sales	12 500	
C. John	500	Dr
T. Chan	300	Cr
Discounts allowed	75	
Discounts received	150	

- (a) Using pages 9 and 10 of your answer booklet, open the appropriate accounts for each account listed, and record the balances brought forward at 1 January 2018.

During the month of January 2018, the following transactions were recorded for P. Smith.

- 2 January A cheque for \$460 was received from C. John in full settlement of his account. P. Smith gave him a discount for early settlement of the account.
- 3 January P. Smith received an invoice for \$950 from T. Chan for inventory bought on credit.
- 9 January An invoice was prepared for C. John, totalling \$600, for goods delivered on credit.
- 17 January P. Smith issued a cheque for \$1 100 to T. Chan. This was in full settlement of his account, as P. Smith was entitled to a discount from T. Chan for the 3 January transaction.
- 25 January P. Smith withdrew \$900 from the bank for his own personal use.
- 31 January P. Smith purchased a used car from VROOM Ltd for \$30 000 on credit. (7 marks)

- (b) (i) Record the transactions given above for January, using the accounts previously opened for question 2(a). You may open any other account(s) you deem necessary for recording the given transactions. (9 marks)
- (ii) Balance off, total and rule the Bank Account at the end of the month. (2 marks)

GO ON TO THE NEXT PAGE

- (c) (i) Using the account of T. Chan, calculate the amount of the 17 January cheque which applied to the purchase of 3 January. **Show all working clearly.**

(1 mark)

- (ii) Calculate the percentage discount that P. Smith received with respect to the T. Chan's transaction on 3 January, and its subsequent settlement on 17 January. **Show all working clearly.**

3. Ryan and Iana are partners sharing profits and losses in the ratio of 6:4 respectively. At the end of the financial year, 31 August 2017, the following selected balances were extracted from the books of the partnership after calculation of that year's gross income.

	Dr	Cr
Current Accounts		
Ryan	6 000	
Iana		9 000
Drawings		
Ryan	42 000	
Iana	30 000	
Capital Accounts		
Ryan		320 000
Iana		300 000
Inventory @ 31 August 2017	73 000	
Loan to the Partnership from Ryan		40 000
Non-Current Assets		
Cost Price	960 000	
Acc. Provision for Depreciation @ 1 September 2016		210 000
Operating Expenses	88 000	
Gross Income		327 000

Additional Information

- Closing inventory at 31 August 2017 had been understated by \$5 000.
- Non-current assets are to be depreciated by 20% per annum, using the reducing balance method.
- Operating expenses, which were due and remain unpaid at 31 August 2017, totalled \$6 000.
- The partnership agreement included the following terms:
 - Ryan is entitled to receive interest of 10% per annum on his loan to the business.
 - Iana is to receive a partnership salary of \$36 000 per annum.
 - 3% interest on capital is to be paid to partners.
- Interest charged on drawings for the year: Ryan \$4 800; Iana \$3 400.

Required

- (a) Prepare the Income Statement for the partnership for the year ended 31 August 2017, on the form provided **on page 13**, using the balances and the additional information provided. **(8 marks)**
